

Battery & Electrical Recycling

In-store takeback of old electrical items when purchasing a like-for-like replacement.

Please speak to a member of staff for details on how to dispose of your Waste Electrical or Electronic Equipment (WEEE). This offer may be taken up within 28 days of purchase with a valid sales receipt.

Crossed out wheeled-bin symbol

To remind you that old electrical equipment can be recycled, it is now marked with a crossed-out wheeled bin symbol.

The Waste Electrical and Electronic Equipment Regulations 2013

In the UK, retailers are required to provide a system which allows all customers buying new electrical equipment the opportunity to recycle their old items free of charge. As a responsible retailer, we have met these requirements by offering all customers buying new electrical and electronic equipment free take-back of their old electricals on a like-for-like basis.
